

# I Wish It Would Rain

Faces

Sunshine, blue skies, please go away  
My love has found another, gone away  
Withered up my future, my life is filled with gloom  
Day after day I stay locked up in my room  
I know to you it might sound strange  
But I wish it would rain  
Curse so badly, I don't want to go outside  
Everyone knows that a man ain't supposed to cry

Listen, I've got to cry, 'cause crying sheds the pain  
To the world outside my tears I refuse to explain  
I wish it would rain  
Let it rain

Looking down at my tear stained face pressed against the window  
pane  
But I search the sky desperately for rain  
'cause raindrops will hide my teardrops, no one will ever know  
When I'm crying, crying when I go outside

To the world outside my tears I refuse to explain  
I wish it would rain  
Let it rain
