

1000 Miles

Fact

It can't be helped but you don't think so
You certainly hated those words?
I have a lot of things to tell you
I made a step forward to change myself

Distance
You are so far away that I cannot even begin to hear your feelings
and I can't feel you

I still carry a tiny hope

But I cannot tell you because of the distance
I know that it is all too late
But I think I can make it if I try

There's so much I did wrong
And everything's my fault
There's so much I did wrong
Can't change the past

And that's a FACT
