

## Tonight

Fact

Unstoppable emotion is running through my veins  
Sadness, anger, sweetness all in one  
These shackles have tied my brain  
Now I have broken free  
And nothing stops me now from what I want  
What I want  
What I want  
What I want  
(What do you want?!)

Feel it all tonight  
Gonna be alright  
Keep it all inside  
You never see the light

(Feel it all tonight)  
(Gonna be alright)  
(Keep it all inside)  
(You never see the light)

Unstoppable emotion is running through my veins  
Sadness, anger, sweetness all in one  
These shackles have tied my brain  
Now I have broken free  
And nothing stops me now from what I want  
What I want

(What do you want?!)
