Don't worry no tricks up my sleeve Got nothing left to hide We keep moving closer everyday Head on crash collision course BRING IT FULL FORCE You talk the talk BRING IT HEAD STRONG But can you back it up? Actions will speak louder than just words When the moment comes don't let it slip away Take hold of it cause it may never come around again We all bleed When everything is all said and done There's one thing you can rest assured of We all bleed in the chase for daylight When the sun goes down Gonna find out what you're made of We all bleed in the chase for daylight Face to face Think it's just a game? There's really no use pretending Wishing that the past was dead It's time to accept the fact that somethings Don't work out the way we plan BRING IT FULL FORCE The stakes are high BRING IT HEAD STRONG But if you're wondering why Will you ever know just what you're worth? When the moment comes don't let it slip away Take hold of it cause it may never come around again We all bleed When everything is all said and done There's one thing you can rest assured of We all bleed in the chase for daylight When the sun goes down Gonna find out what you're made of We all bleed in the chase for daylight Face to face Think it's just a game? WE ALL BLEED IN THE CHASE FOR DAYLIGHT WHEN THE SUN COMES DOWN When the moment comes don't let it slip away Take hold of it cause it may never come around again We all bleed When everything is all said and done There's one thing you can rest assured of We all bleed in the chase for daylight When the sun goes down Gonna find out what you're made of We all bleed in the chase for daylight Face to face Think it's just a game? Still think it's a game? Gonna find what you're made of We all bleed in the chase for daylight Tištěno z www.txp.cz
