

# The Protagonist

Faderhead

Every now and then the world is strange  
Time to stop and re-evaluate  
Broken heart won't equal broken dreams  
Mr. Bond, find the real me, please  
Critics wonder where the feeling went  
E-TV reports "The Passion's Spent!!"  
One of the days that never seem to end  
And where the fuck is my script again

I am the protagonist  
Disarmed the bomb  
Fucked the femme fatale  
I am the protagonist  
The credits roll  
Discover who we are

Roll the camera hit the winning smile  
Take 15 - it's gonna take a while  
Smoke machines can make it hard to breathe  
Mr. Bond, find the real me, please  
Gonna hang inside my trailer more  
This is what they made the trailer for  
Make-Up let's me be a real man  
And where the fuck is my script again
