

# Rikki Tikki Tavi

Fair to Midland

Listen to me  
Listen to me

AHHHHHHHHHHHHHHH!

Rikki-Tikki, Rikki-Tikki, Rikki-Tikki Tavi I am not a machine  
So don't push me like buttons  
Rikki-Tikki, Rikki-Tikki, Rikki-Tikki Tavi We're not identical twins  
So don't finish my sentence

(Tell me the truth, or don't tell me anything  
I'd rather have a heart than courage or a brain)

Rikki-Tikki, Rikki-Tikki, Rikki-Tikki Tavi Don't pay any mind  
To a voice behind curtains

If you meet the Devil's wife  
Make sure you wear a suit and tie  
and leave him where he stands  
And if he tries to shake your hand  
just hit him with a frying pan  
and leave him where he stands

AHHHHHHHHHHHHH Run Tikki-tikki Run Tikki-tikki Ruuunnn  
Run Tikki-tikki Run Tikki-tikki Ruuunnn

Listen to me (7x)

Rikki-tikki, Rikki-tikki, Rikki-Tikki Tavi if you want a Picasso  
You better start diggin  
Rikki-tikki, Rikki-tikki, Rikki-Tikki Tavi if I build the ark  
Will you wait for the water

(The only thing that ever turned him blue  
Was thinking the sky is what he should be turned to)

Rikki-tikki, Rikki-tikki, Rikki-Tikki Tavi There are snakes in the grass  
So we better go hunting

If you meet the Devil's wife  
Make sure you wear a suit and tie  
And leave them where he stands  
If he tries to shake your hand  
just hit him with her frying pan  
And leave him where he stands  
Let them take the kitchen sink  
And cut her from her apron strings  
Just leave him where he stands  
All you need is amnesty  
So grab my hand and come with me  
Just leave him where he... stands

AHHHHHHHHHHHHHHH  
RRRRRRRRRRRRRRRRRIKKI
