

# Don't Give Up

Fair Warning

So here you go again, all on your own  
The roads you used to know  
Turned into deserted land  
Lost in your memories  
A place called home  
It's now you realize  
All your hope was build on sand

When life's got you down  
Then life can bring you rught up  
Cause no one can steal your dreams

Don't give up  
Whatever may come  
There still shines a light  
Keep your dreams  
When the walls come tumbling down  
Just stand up and fight

Sure there've been better days  
For you and me  
But you've made up your mind  
To walk alone on lonely streets  
Though sadness fills my heart  
Since you've been gone  
May all your dreams come true  
May you trust the ones you meet

When life's got you down  
Then life can bring you right up  
'Cause no one can steel your dreams

Don't give up  
Whatever may come  
There still shines a light  
Keep your dreams  
When the walls come tumbling down  
Just stand up and fight

When life's got you down  
Then life can bring you right up  
'Cause no one can steal your dreams

No one can steal your dreams  
I said no one can steal your dreams  
Oh ...no...  
Keep them  
You have to keep them  
Cause there still shines a light  
So stand up and fight  
And fight, and fight  
So don't give up  
Never give up  
So don't give up

Don't give up  
Never give up

Don't give up  
Keep your dreams  
Keep your dreams  
Try, try, try...
