## It's Alright Ma, It's Only Witchcraft

## **Fairport Convention**

Looking through the window To see which way the wind blows It seems as though a hurricane is due today Sunny on the outside Stormy on the inside Stormy weather's always best for making hay

Here come Everlasting Looks like he's been fasting With his friends in the den where directors roll Like a bandarillo With his cigarillo Robs the rich, robs the rest, brings it all back home

Please don't get us wrong man This is just a song man No matter what we say This is the season, stormy weather's on the way This is the season, stormy weather's on the way You'd better start worrying, witchcraft's here to stay

In blows Snow White The dwarves are kinda off-white Division's his decision, so they're out of luck Associates are reeling The wall paper is peeling He doesn't see the paper work has come unstuck

In comes Saville Had his fill of travel Had a bite on the flight, just touched down today Lookin' drawn and haggard Through the door he staggered With a sound that he found over Frisco way

Please don't get us wrong man This is just a song man No matter what we say This is the season, stormy weather's on the way This is the season, stormy weather's on the way You'd better start worrying, witchcraft's here to stay
