Lady of Pleasure

Fairport Convention

She's a lady of pleasure, she's a lady of joy And she has no illusions of grandeur You can get what you want when your money's up front She's a sailor-lad's port in a storm

A sailor-lad's port in a storm

To some she's a sweetheart, to some she's a whore

And to others she's there to come home to

Well, she knows the score ''cause she's done it all before

Just knock and she'll open the door Knock and she'll open the door "Oh, where are you going, my fine feathered friend? Have you someone to sleep with tonight?

If you're willing to pay, you'll have somewhere to stay I've a nice place a short haul away It's only a short haul away"
There's some makes it easy, there's some makes it hard

And there's some try to keep it a secret
But she's there on the tide, she's just out for a ride
And you know she's got nothing to hide
Nothing at all to hide

'Cause she's a lady of pleasure, she's a lady of joy And she has no illusions of grandeur You can get what you want when your money's up front She's a sailor-lad's port in a storm
