

# Open the Door Richard

Fairport Convention

Well, there's certain things  
That I learned from Jim  
He'd always make sure I'd understand  
That there is a certain way  
That we all must swim  
If we expect to live off  
Of the fat of the land

Open the door, Richard  
I've heard it said before  
Open the door, Richard  
I've heard it said before  
But I ain't gonna hear it said no more

There's a certain thing  
That I learned from my friend, Mouse  
A man who never even blushes  
That we must expect to always flush out our house  
If we don't want goin' 'round housing flushes

Open the door, Richard  
I've heard it said before  
Open the door, Richard  
I've heard it said before  
And I ain't gonna hear it said no more

"Take care of all your memories"  
Said Mick  
"For you cannot relive them  
Remember that when you're out there  
Tryin' to heal the sick  
That you must always  
First forgive them"

Open the door, Richard  
I've heard it said before  
Open the door, Richard  
I've heard it said before  
But I ain't gonna hear it said no more

Open the door, Richard  
I've heard it said before  
Open the door, Richard  
I've heard it said before  
And I ain't gonna hear it said no more
