

## Neon Nightmare

### Fairytale Abuse

Bulbs of light arousing in my filter  
Subway Light  
Day shadows spread like eagle wings  
Here comes the night

Behold of my passion,  
beware of what you are  
Now dusk embraces her  
Feels like the first time every night

Feel the power  
Of I the almighty  
Catharsis  
The lust enslaves me  
I am a prisoner of sex!

Flavours of desire! Red light zone under siege!

Un human design, wrecked so fine, stab wounds sacred, undefined  
hatred!
