

# Alone in This World

Faith Evans

It's over now, I can't compete  
I don't know how I'm still standing on my feet  
So turned around and incomplete  
I'm not that happy woman that I used to be

Oh, please tell me what did you mean  
When you said that you were mine, you knew that was a lie  
But in your heart you know that truth  
And I'm trying to forget  
All the things you put me through (Oh baby)

I never thought you'd turn you back  
And walk away from love like that  
While I was holding on to you  
All you did was let me go

I never thought I would regret  
The way I felt when we first met  
And now I'm standing here  
Alone in this world, alone

It's over now, we can't go on  
In my eyes I thought that you could do no wrong  
It's no surprise we both belong  
Because of you my heart's singing us that song

Oh, please tell me what did you mean  
When you said that you were mine, you knew that was a lie  
But in your heart you know that truth  
And I'm trying to forget  
All the things you put me through (Oh baby)

I never thought you'd turn you back  
And walk away from love like that  
While I was holding on to you  
All you did was let me go

I never thought I would regret  
The way I felt when we first met  
And now I'm standing here  
Alone in this world, alone

I can't believe our love is over now  
Where did love go  
And why did I believe that we would be together forever  
Now it's all a memory

I never thought you'd turn you back  
And walk away from love like that  
While I was holding on to you  
All you did was let me go

I never thought I would regret  
The way I felt when we first met  
And now I'm standing here  
Alone in this world, alone

I never thought you'd turn you back  
And walk away from love like that  
While I was holding on to you  
All you did was let me go

I never thought I would regret  
The way I felt when we first met  
And now I'm standing here  
Alone in this world, alone
