

# Can't Believe

Faith Evans

I always dreamed that everything would be okay with me and you,  
I was wrong  
When I looked into your eyes I didn't see all the things I used  
to, what's  
going on  
You gave me reasons to believe that we were always meant to be  
but now I see  
You were wrong  
You can't keep running back to me with all those baby baby plea  
ses no more  
no more

Never imagined you would be a faded picture I'm emotional (I'm  
emotional)  
It's so believing your deceiving it's official I'm emotional, (  
I'm emotional)

I can't forget last night I saw you in the corner wrapped up ti  
ght  
You were warm ooh  
Slow dancing on the floor while I was watching from the door so  
hurt  
There you were  
You gave me reasons to believe that we were always meant to be  
but now I see  
You were wrong  
You can't keep running back to me with all those baby baby plea  
ses no more  
no more

You had your chance  
But you threw it all away  
Thought you had my love always (oh baby)  
I don't understand (I just don't understand)  
How you think that we could stay  
In total unhappiness

[Chorus]
