

Can't Believe

Faith Evans

I always dreamed that everything would be okay with me and you,
I was wrong
When I looked into your eyes I didn't see all the things I used
to, what's
going on
You gave me reasons to believe that we were always meant to be
but now I see
You were wrong
You can't keep running back to me with all those baby baby plea
ses no more
no more

Never imagined you would be a faded picture I'm emotional (I'm
emotional)
It's so believing your deceiving it's official I'm emotional, (
I'm emotional)

I can't forget last night I saw you in the corner wrapped up ti
ght
You were warm ooh
Slow dancing on the floor while I was watching from the door so
hurt
There you were
You gave me reasons to believe that we were always meant to be
but now I see
You were wrong
You can't keep running back to me with all those baby baby plea
ses no more
no more

You had your chance
But you threw it all away
Thought you had my love always (oh baby)
I don't understand (I just don't understand)
How you think that we could stay
In total unhappiness

[Chorus]
