Faith Evans

Huh, check it up, check it up now  
Check it up, check it up now  
Check it up, check it up now  
Huh, huh, hm

I got a bitch that suck my dick til' I nut  
Spit it on my gut and slurp that shit back up  
Ain't that a slut? Hell naw, you be doin' too much  
She even take it in the butt, nigga, yes, yes, what?  
Recognize G, straight up, I can't knock ya  
Boy, you know you love it when I call you Big Poppa  
You talkin' shit but whenever I'm gone, you be ringin' my phone  
Bring yo' ass on home  
I roam in Lexuses and Benzes, this is the fly way  
With the flyest bitch, gettin' head on the highway  
My way deep throat on Luke's boat  
When the moon rises, I'm cumin in her eyes-es (do it)  
Just the way players play  
Leave it up to me, I get fucked all day (we fuck all day)  
Sucked all day, smokin' blunts, countin' cheese  
My baby is all I need (yeah, oh yeah)

That I ain't givin' it up to nobody but you (I ain't givin' it up to nobody)  
It ain't never too much to freaky for ya  
The sexy things you do, they put me in the mood  
Can't get enough of the things that you do

Every time we touch, you givin' me a rush  
I'm ready to come out my clothes (my clothes)  
I look into your eyes, I'm feelin' your vibe  
I'm losin' all control  
You're takin' me to ecstasy  
(Boy, it feels so heavenly)  
And you know that you are makin' me weak (yeah)  
Boy, you got that good thang, so come and put it on me  
I love the way you do it to me baby  
Boy, I'm gettin' hot, can't wait to get you home  
Let you hit it from the back, sex game strong  
Take me to paradise, I want to stop all night

Baby you know  
That I ain't givin' it up to nobody but you  
It ain't never too much to freaky for ya  
The sexy things you do, they put me in the mood  
Can't get enough of the things that you do

Biggie bag bitches from barbecues to barmitzvahs  
The big don't fit, use your lips cause..  
Fuckin' with me, you know what you get  
You be havin' a fit over my lip, yeah  
I'm feelin' kinda itchy for a quickie  
Don't take off your coat, all you got to do is lick me  
Me eat you, I beat you  
Baby, you can do whatever you want to do to me  
Which one of these hoes in the lobby wanna slob me?  
You know me, I like my dick Brown like Bobby  
These bomb-ass chicks ain't ready for you

Unless she lick ass and blow dicks like flutes  
I like em cute, round tits and fat asses  
Educated, so I can bust off on they glasses  
Take it real slow, you can take your time  
I wanna cum on your tongue and gums, all night

Baby, you know....

That I ain't givin' it up to nobody but you (I ain't givin' it up to nobody)  
It ain't never too much to freaky for ya  
The sexy things you do, they put me in the mood  
Can't get enough of the things that you do (I can't get enough of the things  
you do baby)
