

# Do Your Time

Faith Evans

It's been a long time  
And I hope you're doing fine  
I just wanted to write you a letter  
Saying hi, and explaining why  
Why you mean so much to me  
Well the reason is plain you see  
You were always there when I needed you  
And I wanted to let you know

You've gotta be strong  
And it won't be long  
Cause I'm gonna do  
All your time with you  
Promise you I can and I will do  
Your time with you  
I'm gonna do your time with you  
No matter what I gotta do

I always did believe  
That our love would be  
Stronger than the bars you were behind  
And my heart always seem to find  
Find a reason to hold on  
And the purpose to be strong  
Baby can't you see that I need you  
And I know that you need me too

You've gotta be strong  
And it won't be long  
Cause I'm gonna do  
All your time with you  
Promise you I can and I will do  
Your time with you  
I'm gonna do your time with you  
No matter what I gotta do

You've gotta be strong  
And it won't be long  
Cause I'm gonna do  
All your time with you  
Promise you I can and I will do  
Your time with you  
I'm gonna do your time with you  
No matter what I gotta do

And I'm writing with sincerity  
Just to make you understand what you mean to me  
And I can't wait till you come home  
But I need you to be strong  
Baby hold on

Cause I'm down for you  
You know I'm gonna do, I'll do your time for you  
I'm gonna do your time with you  
No matter what I gotta do

You've gotta be strong

And it won't be long  
Cause I'm gonna do  
All your time with you  
Promise you I can and I will do  
Your time with you  
I'm gonna do your time with you  
No matter what I gotta do

You've gotta be strong  
And it won't be long  
Cause I'm gonna do  
All your time with you  
Promise you I can and I will do  
Your time with you  
I'm gonna do your time with you  
No matter what I gotta do
