

Fragile

Faith Evans

Is it love, is it lust,
Wanna know, can I trust you with my heart,
(My heart is so fragile baby)
All I need is your time,
Won't you make up your mind and just try,
(Trust me with your heart now baby)

If I told you that I loved you,
What would it mean to you,
And if I gave you all of me,
Boy, would you give me you,

(Love can be so good)

Love can be so good,
At the same time, complicated,
That's why I need to know if you,
Love me like you say you do,
Are you real or are you playing,

Is it love, is it lust,
Wanna know, can I trust you with my heart,
(My heart is so fragile baby)
All I need is your time,
Won't you make up your mind and just try,
(Trust me with your heart now baby)

Now baby,
Boy I'm trying to show you,
Just what you mean to me,
(Oh-oh yeah!)
And I just wanna prove to you,
That I can love you faithfully

(Love can be so sweet)

Love can be so sweet,
At the same time, overrated,
So I want you to know that I,
Mean it from the bottom of my heart,
I'm for real, I ain't playing,

Is it love, is it lust,
Wanna know, can I trust you with my heart,
(My heart is so fragile baby)
All I need is your time,
Won't you make up your mind and just try,
(Trust me with your heart now baby)

Please handle with care,
This fragile heart of mine,
Cause I refuse to let it break this time,
But before I trust and put it on the line,
You need to make up your mind,

Is it love, is it lust,
Wanna know, can I trust you with my heart,

(My heart is so fragile baby)
All I need is your time,
Won't you make up your mind and just try,
(Trust me with your heart now baby)

My heart is so-o-o,
You know it's so fragile baby,
My heart, ooh-ooh,
Tell me, can I trust you baby?
Can I put it on the line?
