

I Don't Need It

Faith Evans

Lately I've been worrying you out there huggin the block and im
here alone again you know i'll do what it takes to hold you do
wn but all this lying
to myself is startin to stress me out cant' complain I know you
tryin to make life better for us but things gotta change or th
is ain't gonna last for ever
and I can't take it cause I miss you so much

You say you want me to have the world and I believe it but if t
hat means you not here with me then I dont need it oh no oh no

Now i'm Not ready to trade in all my county bags and i'm not sa
yin that you should rush and take the bently cause im close so
acustomed to our
life style but i'll trade it all to have you around cant compla
in I know you tryin to make life better for us but things gotta
change cause this ain't
gonna last for ever and I can't take it cause i miss you so muc
h

You say you want me to have the world and I believe it but if t
hat means your not here with me then i dont need it

I know I never say it but I do appreciate the things you do I A
ppreciate everything but the only thing that matters that I rat
her just be with
you you know i rather be with youuuu All i need is you so you d
on't have to give me the world

[Chorus:]
