

Lately I

Faith Evans

Lately I don't wanna see the morning sun
Lately I, I'm not much good to anyone
Lately I don't laugh the way I used to do, no
Lately I've been cryin'
Lately I've been missing you

Lately I don't wanna hear my favorite song
Lately I, I'm finding it hard to carry on
Lately everything I see is painted blue, oh
Baby I've been dyin'
Baby I've been missing you, oh

Lately I don't know why I ever let you go
But I want you back
I need you back
Without you it's all wrong
Baby, make it right
Bring your love back to my life
Cuz nothing's been the same since you've been gone

Lately I don't feel like talking to my friends
Lately I, I feel like this pain will never end
I don't want to go the places we went to, no, no, no
I don't feel like smiling
Baby I'm just missing you , oh oh oh

Oh baby
I want you back
I need you back
Without you it's all wrong
Baby, make it right
Bring your sweet love back to my life
Cuz I'm just not the same since you've been gone, oh whoa

Lately I don't wanna see the morning sun
Lately I, I'm not much good to anyone
Lately I don't laugh the way I used to do, no, no no no
Lately I've been cryin'
Baby, I've been dyin', oh yeah
Save me from this pain I'm going through
Lately I've been cryin'
Lately I've been missing, missing you

You
