Better Days

Faith Hill

Hard times are fallin' on you
Even when you smile I see the hurt come through
And I know it feels like it's never gonna end
You say nothin's been right for a long time
And every step you take is an uphill climb
I see you're reachin' out
So let me tell you friend that

Better days are comin' around
I know you feel like
The whole world's gone and let you down but
Better days they're comin' for you
I know they will
'Cause I'll be right here makin' sure they do

And if your sky ain't lookin' the fairest
There ain't no reason to be embarrassed
Ain't nobody in the world ain't felt
The rain from time to time
And just when you think it's all over and done
The night get easier one by one
So take my hand and hold on tight
And soon you're gonna find that

Better days are comin' around
I know you feel like
The whole world's gone and let you down but
Better days they're comin' for you
I know they will
'Cause I'll be right here makin' sure they do

I know what it's like
To have to face the fight
But I won't let you stand alone, no

Better days are comin' for you
I know it feels like
The whole world's gone and let you down but
Better days they're comin' for you
I know they will
'Cause I'll be right here makin' sure they do

Oh, better days
I know, I know, I know
The whole world's gone and let you down
Better days are comin' for you
I know they will
