

# Cry

Faith Hill

1. If I had just one tear running down your cheek  
Maybe I could cope maybe I'd get some sleep  
If I had just one moment at your expense  
Maybe all my misery, would be well spent yeah

R1: Could you cry a little, lie just a little  
Pretend that you're feeling a little more pain  
I gave now I'm wanting something in return  
So cry just a little for me

2. If your love could be caged honey I would hold the key  
And conceal it underneath the pile of lies you handed me  
And you'd hunt those lies they'd be all you'd ever find  
And that'd be all you'd have to know, for me to be fine yeah

R2: And you'd cry a little, die just a little  
And baby I would feel just a little less pain  
I gave now I'm wanting something in return  
So cry just a little for me

Give it up baby I hear you're doing fine  
Nothing's gonna save me I see it in your eyes  
Some kind of heartache come on, give it a try  
I don't want pity I just want what is mine yeah

Could you cry a little, lie just a little  
Pretend that you're feeling a little more pain  
I gave now I'm wanting something in return  
So cry just a little for me, yeah  
Cry just a little for me, woah woah  
Could you cry a little for me, yeah
