Faith No More

They all know me by my car
They all know I'm gone, but not how far
I'm heading straight down 101
I'm going to go and get me some
My lips are movin' but there's no sound
Someday somebody's gonna get run down
E não posso dirigir
E agora a pares
Ne não deda indehado
No não naris
My lips are movin' but there's no sound
Someday somebody's gonna get run down
