## I Started a Joke

**Faith No More** 

I started a joke Which started the whole world crying Oh but I didn't see That the joke was on me, oh no

And I started to cry Which started the whole world laughing Oh if I'd only seen That the joke was on me

And I looked at the skies Running my hands over my eyes And I fell out of bed Cursing my head for things that I've said

Till I finally died Which started the whole world living Oh if I'd only seen That the joke was on me

And I looked at the skies Running my hands over my eyes And I fell out of bed Cursing my head for things that I've said

Till I finally died Which started the whole world living Oh if I'd only seen That the joke was on me, that the joke was on me, me
