

I Wanna Fuck Myself

Faith No More

I pull my pud untill it bleeds
I masturbate on toiletseats
Girls can't give me the satisfaction
I fuck my fist to the rage of passion
I wanna fuck myself
I wanna fuck myself
I wanna fuck myself
I wanna fuck myself
Fuck myself (I just love myself)
I wanna fuck myself (and noone else)
I like the way it fits in my hand
Feel the cock to my burning head
I like to fly on my chest
I fuck myself cause I'm the best
I love myself
I wanna fuck myself
I beat myself untill I'm raw
Come and come 'till there's no more
My hand is my favorite whore
Stick my fingers up my ass, feel it some more.
