

Take This Bottle

Faith No More

I can wait to love in heaven
I can wait for you
Far away, I'll treat you better
Better than down here
Cuz I done wrong
And I'm a little afraid
I ain't too strong
And this ain't easy to say:
Take this bottle
Take this bottle
And just walk away - the both of you
And let me feel the pain - I've done to you
I can hope we'll be together
With a better roof over our heads
I can hope the stormy weather
It passes on - it passes on -
But I've hoped too long
Hoped for me to change
That hope is gone
So listen to what I say:
Take this bottle
