

# Untouchable

Falco

She's not just another pretty face in a magazine  
This girl is real - She's every schoolboy's dream

She fills my fantasies, my eyes and my ears  
But every time I try to touch her - She disappears

Oh oh oh oh oh She's untouchable  
Oh oh oh oh oh untouchable delight  
Oh oh oh oh oh She's untouchable  
Oh oh oh oh oh She's outta- sight  
In my mind I'm always with her - moans and sighs  
I touch her full red lips - her silken thighs

We meet in the city, she begs: "Please take me home"  
But when I wake up in a cold sweat, I'm all alone
