

# No Hope Before Me

Fall of Empyrean

I've come to the end  
Of my life in this time  
The hope I once had  
Is now gone and has died  
I search for an ending  
A quest - for the pain  
I must endure forever, seemingly  
My existence is bleak

Once, I had felt the joy of life  
It seemed so good to me  
The beauty of my wife  
Was there for the whole world to see  
With the birth of our son  
I thought that I had it all  
In the game of life, I'd won  
Until it all began to fall

What had gone wrong?  
I still don't know... why?

Feeling the blood  
Of my only son  
It covered my hands  
What had I done?  
Feeling that loss  
And what it now means  
There I had felt...  
No hope before me

Ridden with the guilt  
I had inside  
I couldn't hide from the pain  
Abandoned by  
My heartless wife  
I took her life  
A stable mind  
Has gone insane

Why me? Why this grief?  
So many tears  
With no sympathy  
Why live this dismal life?  
As death awaits  
Please, just let me die  
With the blade  
Upon my wrist  
How could I even resist?  
Goodbye.
