

A Little Less Sixteen Candles, A Little More Touch Me

Fall Out Boy

I confess, I messed up
Dropping "I'm sorry's" like you're still around
And I know you dressed up
Said "hey kid, you'll never live this down"

cause you're just the girl all the boys want to dance with
And I'm just the boy who's had too many chances

I'm sleeping on your folk's porch again, dreaming
She said, she said, she said, "Why don't you just drop dead?"

I don't blame you for being you
But you can't blame me for hating it
So say, what are you waiting for?
Kiss her! Kiss her!
I set my clocks early 'cause I know I'm always late

Write me off, give up on me
'Cause darling what did you expect
I'm just off a lost cause
A long shot, don't even take this bet

You can make all the moves, you can aim all the spotlights
Get all the sighs and the moans just right

I'm sleeping on your folk's porch again, dreaming
She said, she said, she said, "Why don't you just drop dead?"

I don't blame you for being you
But you can't blame me for hating it
So say, what are you waiting for?
Kiss her! Kiss her!
I set my clocks early 'cause I know I'm always late

I'm just always (always) on
You said you'd keep me honest
Always on (always) on
But I won't call you on it
Always (always on)

Chorus: (2x)
