

# A Little Less Sixteen Candles, A Little More Touch Me

Fall Out Boy

I confess, I messed up  
Dropping "I'm sorry's" like you're still around  
And I know you dressed up  
Said "hey kid, you'll never live this down"

cause you're just the girl all the boys want to dance with  
And I'm just the boy who's had too many chances

I'm sleeping on your folk's porch again, dreaming  
She said, she said, she said, "Why don't you just drop dead?"

I don't blame you for being you  
But you can't blame me for hating it  
So say, what are you waiting for?  
Kiss her! Kiss her!  
I set my clocks early 'cause I know I'm always late

Write me off, give up on me  
'Cause darling what did you expect  
I'm just off a lost cause  
A long shot, don't even take this bet

You can make all the moves, you can aim all the spotlights  
Get all the sighs and the moans just right

I'm sleeping on your folk's porch again, dreaming  
She said, she said, she said, "Why don't you just drop dead?"

I don't blame you for being you  
But you can't blame me for hating it  
So say, what are you waiting for?  
Kiss her! Kiss her!  
I set my clocks early 'cause I know I'm always late

I'm just always (always) on  
You said you'd keep me honest  
Always on (always) on  
But I won't call you on it  
Always (always on)

Chorus: (2x)
