

# Alpha Dog

Fall Out Boy

Clap until your hands hurt  
Standing ovations or boos  
Watch us until we blur  
Walk off into the sunset  
Tell rock and roll I'm alone again,  
I want to put the Midwest home again  
Your time has passed they say never means never  
Solar flare stares won't last but never means forever  
Never means forever

Alpha dog and oh oh omegalomaniac  
Alpha dog and oh oh mega mega low  
Welcome to the new deja vu  
I can almost see the wizard through the curtains,  
Alpha dog and oh oh omegalomaniac

We must have the best coats,  
Tell the best jokes  
We must make it hard to look so easy  
Doing something so hard  
You must see my wink  
They squint when they look at me  
I'm a, I'm a star  
I'm a, I'm a star  
I'm a star  
Oh, I'm a star

Alpha dog and oh oh omegalomaniac  
Alpha dog and oh oh mega mega low  
Welcome to the new deja vu  
I can almost see the wizard through the curtains,  
Alpha dog and oh oh omegalomaniac

You're not the first or the last  
but you're possibly the prettiest, whoa  
He's a fighter past his prime  
He's in the gutter waving his hand,  
"I'm just fine"

You're not the first or the last  
but you're possibly the prettiest, whoa  
He's a fighter past his prime  
He's in the gutter waving his hand

Alpha dog and oh oh omegalomaniac  
Alpha dog and oh oh mega mega low  
Welcome to the new deja vu  
I can almost see the wizard through the curtains,  
Alpha dog and oh oh omegalomaniac

(whoaa, ohh, whoaa)  
[Whispered:] Abracadabra  
(whoaa, ohh, whoaa)
