Champion, champion I'm calling you from the future To let you know we made a mistake And there's a fog from the past That's giving me, giving me such a headache And I'm back with a madness I'm a champion of the people who don't believe in champions I got nothing but dreams inside I got nothing but dreams I'm just young enough to still believe, still believe But young enough not to know what to believe in Young enough not to know what to believe in, yeah If I can live through this If I can live through this If I can live through this I can do anything If I can live through this If I can live through this If I can live through this I can do anything Champion, champion Champion, champion I got rage every day, on the inside The only thing I do is sit around and kill time I'm trying to blow out the pilot light, I'm trying to blow out the light I'm just young enough to still believe, still believe But young enough not to know what to believe in Young enough not to know what to believe If I can live through this If I can live through this If I can live through this I can do anything If I can live through this If I can live through this If I can live through this I can do anything Champion, champion I can do anything Champion, champion And I can do anything Champion, champion

If I can live through this If I can live through this If I can live through this

And I can do anything Champion, champion I can do anything

```
(I can do anything I can)
If I can live through this
(Can do anything, anything, yeah)
If I can live through this
If I can live through this
If I can live through this,
If I can live through, live through this
If I can live through this (If I can live through this)
If I can live through this (If I can live through)
If I can live through this (If I can live through this)
I can do anything
(I can do anything)
If I can live through this
(I can do anything)
If I can live through this
(I can do anything)
If I can live through this
I can do anything
```

Champion, champion

I can do anything
