

Dance, Dance

Fall Out Boy

She says she's no good
With words but I'm worse

Barely stuttered out
"A joke of a romantic" or stuck to my tongue
Weighed down with words too
Over-dramatic
Tonight it's "it can't get much worse"
Vs. "no one should ever feel like.."

I'm two quarters and a heart down
And I don't want to forget how your voice sounds
These words are all I have so I'll write them
So you need them just to get by

{Whispered:} We're going into D-Minor

We're falling apart to half time
And these are the lives you'd love to lead
Dance, this is the way they'd love
If they knew how misery loved me

You always fold just
Before you're found out
Drink up its last call
Last resort
But only the first mistake and I...

I'm two quarters and a heart down
And I don't want to forget how your voice sounds
These words are all I have so I'll write them
So you need them just to get by

Why don't you show me the little bit of spine
You've been saving for his mattress, love

We're falling apart to half time
And these are the lives you'd love to lead
Dance, this is the way they'd love
If they knew how misery loved me

Bmi C#/9
Why don't you show me the little bit of spine
You've been saving for his mattress (mattress, mattress)
I only want sympathy in the form of you crawling into bed with me

We're falling apart to half time
And these are the lives you'd love to lead
Dance this is the way they'd love (way they'd love)
Dance this is the way they'd love (way they'd love)
Dance this is the way they'd love
If they knew how misery loved me
