

Immortals

Fall Out Boy

They say we are what we are
But we don't have to be
I'm bad behavior but I do it in the best way
I'll be the watcher of the eternal flame
I'll be the guard dog of all your fever dreams

I am the sand in the bottom half of the hourglass
I try to picture me without you but I can't
Cause we could be immortals, immortals
Just not for long, for long

And live with me forever now
Pull the blackout curtains down
Just not for long, for long

We could be immortals, immortals,
immortals, immortals (immortals)

Sometimes the only payoff for having any faith
Is when it's tested again and again everyday
I'm still comparing your past to my future
It might be your wound but they're my sutures

I am the sand in the bottom half of the hourglass
I try to picture me without you but I can't
Cause we could be immortals, immortals
Just not for long, for long

And live with me forever now
Pull the blackout curtains down
Just not for long, for long

We could be immortals, immortals, (immortals)

And live with me forever now
Pull the blackout curtains down

We could be immortals, immortals
Just not for long, for long

We could be immortals, immortals,
immortals, immortals (immortals)□
