

My Songs Know What You Did in the Dark

Fall Out Boy

1. Be careful making wishes in the dark
Can't be sure when they've hit their mark
Besides in the meantime
I'm just dreaming of tearing you apart
Im in the details with the devil
So now the world can never get me on my level
I just got to get you out of the cage
I'm a young lovers rage, gonna need a spark to ignite

Dm (hold)
My songs know what you did in the dark

R: So light 'em up,
Light em up
Light em up
I'm on fire! (2x)

2. All the writers keep writing what they write
Somewhere another pretty vein just dies
I've got the scars from tomorrow and i wish you could see
That you're the antidote to everything except for me
A constellation of tears on your lashes
Bb (mute)
Burn everything you love, then burn the ashes
In the end everything collides
My childhood spat back the monster that you see

Dm (hold)
My songs know what you did in the dark

R: So light 'em up... (2x)

(mute)
My songs know what you did in the dark
Dm (hold)
My songs know what you did in the dark

R: So light 'em up... (2x)
