

# The Phoenix

Fall Out Boy

Put on your war paint!

1. You are a brick tied to me that's dragging me down  
Strike a match and I'll burn you to the ground  
We are the jack-o-lanterns in July  
Setting fire to the sky  
Here, here comes this rising tide, so come on!

Put on your war paint!

Cross walks and crossed hearts and hope to die  
Seal the clouds with grey lining

- \*: So we can take the world back from the heart-attacked  
One maniac at a time we will take it back  
You know time crawls on when you're waiting for the song to start  
So dance alone to the beat of your heart

- R: Hey young blood doesn't it feel  
Like our time is running out  
I'm going to change you like a remix  
Then I'll raise you like a phoenix  
You're wearing our vintage misery  
No I think it looked a little better on me  
I'm going to change you like a remix  
Then I'll raise you like a phoenix

2. Bring home the boys in scraps  
Scrap metal the tanks  
Get hitched make a career out of robbing banks  
Because the world is just a teller and we are wearing black  
She broke our spirits with no impact

- \*: So we can take the world back...  
R: Hey young blood doesn't it feel...

Put on your war paint!

The war is won before it's begun  
Release the doves  
Surrender love (4x)

Hey

- R: Hey young blood doesn't it feel...  
...Then I'll raise you like a phoenix (2x)

Put on your war paint!
