

The Phoenix

Fall Out Boy

Put on your war paint!

1. You are a brick tied to me that's dragging me down
Strike a match and I'll burn you to the ground
We are the jack-o-lanterns in July
Setting fire to the sky
Here, here comes this rising tide, so come on!

Put on your war paint!

Cross walks and crossed hearts and hope to die
Seal the clouds with grey lining

- *: So we can take the world back from the heart-attacked
One maniac at a time we will take it back
You know time crawls on when you're waiting for the song to start
So dance alone to the beat of your heart

- R: Hey young blood doesn't it feel
Like our time is running out
I'm going to change you like a remix
Then I'll raise you like a phoenix
You're wearing our vintage misery
No I think it looked a little better on me
I'm going to change you like a remix
Then I'll raise you like a phoenix

2. Bring home the boys in scraps
Scrap metal the tanks
Get hitched make a career out of robbing banks
Because the world is just a teller and we are wearing black
She broke our spirits with no impact

- *: So we can take the world back...
- R: Hey young blood doesn't it feel...

Put on your war paint!

The war is won before it's begun
Release the doves
Surrender love (4x)

Hey

- R: Hey young blood doesn't it feel...
...Then I'll raise you like a phoenix (2x)

Put on your war paint!
