

# Uma Thurman

Fall Out Boy

I can move mountains  
I can work a miracle, work a miracle  
Oh, oh, keep you like an oath  
May nothing but death do us part

She wants to dance like Uma Thurman  
Bury me till I confess  
She wants to dance like Uma Thurman  
And I can't get you out of my head

The stench, the stench, of summer sex  
And ck eternity, oh hell yes  
Divide me down to the smallest I can be  
Put your, put you v-v-v-venom in me

I can move mountains  
I can work a miracle, work a miracle  
Oh, oh, keep you like an oath  
May nothing but death do us part

She wants to dance like Uma Thurman  
Bury me till I confess  
She wants to dance like Uma Thurman  
And I can't get you out of my head

The blood, the blood, the blood of the lamb  
It's worth two lions, but here I am  
And I slept in last night's clothes and tomorrow's dreams  
But they're not quite what they seem

I can move mountains  
I can work a miracle, work a miracle  
Oh, oh, keep you like an oath  
May nothing but death do us part

You'll find your way  
And may death find you alive  
Take me down the line  
In Gem City we claim the tide  
You'll find your way  
And may death find you alive  
Take me down the line  
In Gem City we claim the tide

She wants to dance like Uma Thurman  
Bury me till I confess  
She wants to dance like Uma Thurman  
And I can't get you out of my head

I can move mountains  
I can work a miracle, work a miracle  
Oh, oh, keep you like an oath  
May nothing but death do us part

I can move mountains  
I can work a miracle, work a miracle  
Oh, oh, keep you like an oath

May nothing but death do us part
