

# Wilson (Expensive Mistakes)

Fall Out Boy

I was I was I was  
Gonna say something that would solve all our problems  
But then I got drunk and I forgot what I was talking about  
I forgot what I was talking about  
Don't you, don't you, don't you know  
There's nothing more cruel than to be loved by everybody  
There's nothing more cruel than to be loved by everybody but you  
Than to be loved by everybody but you, but you

If I can get my shit together  
I'm gonna run away and never see any of you again  
Never see any of you again

I hope the roof flies off and I get blown out into space  
I always make such expensive mistakes  
I know it's just a number but you're the 8th wonder  
I'll stop wearing black when they make a darker color  
(Whoa, whoa, whoa)  
When they make a darker color  
(Whoa, whoa)  
I'll stop wearing black when they make a darker color

Woke up on the wrong side of the paradise  
So when I say I'm sorry I'm late I wasn't showing up at all  
I really mean I didn't plan on showing up at all  
Don't you, don't you, don't you know  
I hate all my friends, I miss the days when I pretended  
I hate all my friends, I miss the days when I pretended with you  
I miss the days when I pretended with you, with you

If I can get my shit together  
I'm gonna run away and never see any of you again  
Never see any of you again

I hope the roof flies off and I get blown out into space  
I always make such expensive mistakes  
I know it's just a number but you're the 8th wonder  
I'll stop wearing black when they make a darker color  
(Whoa, whoa, whoa)  
When they make a darker color  
(Whoa, whoa)  
I'll stop wearing black when they make a darker color  
(Whoa, whoa, whoa)  
When they make a darker color  
(Whoa, whoa)  
I'll stop wearing black when they make a darker color

If we hadn't done this thing, I think I'd be a medicine man  
So I could get high on my own supply whenever I can  
I became such a strange shape, such a strange shape from trying to fit in  
Yeah, I became such a strange shape, such a strange shape

I hope the roof flies off and I get blown out into space  
I always make such expensive mistakes  
I know it's just a number but you're the 8th wonder  
I'll stop wearing black when they make a darker color  
(Whoa, whoa, whoa)

When they make a darker color

(Whoa, whoa)

I'll stop wearing black when they make a darker color

(Whoa, whoa, whoa)

I'll stop wearing black

(Whoa, whoa)

I'll stop wearing black when they make a darker color
