

Wrong Side of Paradise

Fall Out Boy

You say "please don't ever change"
But you don't like me the way
The way that I am
The way that I am

Champagne and problems, toast
I will never solve them, oh
I think I woke up on
The wrong side of paradise

I'm trying to kick the habit
But when you're not around I just can't stand it
Oh yeah, I think I woke up on
The wrong side of paradise

The wrong side of paradise
The wrong side of paradise
I think I woke up on
The wrong side of paradise

The wrong side of paradise
The wrong side of paradise
I think I woke up on
The wrong side of paradise
