

Rings Of Fire

Fallen Angels

Hearts were made to be broken
Love was made for passing by
Times were made to be forgotten
Eyes were made to cry
Life ainrt a way of living
It wonrt give you all you want
Lies arenrt there to be forgiven
They turn future into past
Memories are there to remember
Fantasies are there so you can dream
Feelings get two human beings together
Facts make them live in sin
Words are there to say "Irm sorry
For living with you part of your life"
Kisses say "I know you love me
But forgive me Irm wrong and youre right"
Irm going to stay
With me on my way
As I walk far from home
To a land I donrt know
Why Irm doing this to myself
Isnrt there a better way
To find out
The truthr's out there?
But these rings of fire
Surrounds us, burns our souls
We wonrt give up
Until itrll take controll
This rings of fire
Why do they do this all?
What do they want from you?
What do they want from me?
What do we have to do?
What do we have to be?
Rings of fire like
Strong arms envolve
Us in our way home
Rings of fire
Love makes us fall down on
Our knees and crawl
For freedom
Freedom
Freedom from this rings of fire
Break through the dark
And live a peacefull life
