

She's a Rebel

Falling in Reverse

She's a rebel, she's a saint
She's the salt of the Earth and she's dangerous
She's a rebel vigilante
Missing link on the brink of destruction

From Chicago to Toronto
She's the one that they call ole whatshername
She's a symbol of resistance
And she's holding onto my heart like a handgrenade

Is she dreamin' ,what I'm thinkin'?
Is she the mother of all bombs gonna detonate?
Is she trouble, like I'm trouble?
Make it a double twist of fate or a melody
That she sings the revolution
The dawning of our lives

She brings this liberation that I just can't define
Well nothing comes to mind

she sings the revolution
The dawning of our lives
And she brings this liberation that I just can't define
Well nothing comes to mind
She's a rebel, she's a saint
She's the salt of the Earth and she's dangerous
She's a rebel vigilante
Missing link on the brink of destruction

She's a rebel, she's a saint
She's the salt of the Earth and she's dangerous
She's a rebel vigilante
Missing link on the brink of destruction

She's a rebel, she's a rebel
She's a rebel, she's a rebel
And she's dangerous

She's a rebel, she's a rebel
She's a rebel, she's a rebel
And she's dangerous
