

# Straight to Hell

Falling in Reverse

You will never be alright  
And I will never be okay  
And I can't be your Jesus Christ  
'Cause I am but a mortal man  
Just looking for the promised land

And it kills me slowly  
(You never know what you got 'til it's gone forever)  
My one and only  
(It's time to say goodbye)

When life gets hard I send a prayer  
For this cross I have to bear  
And this smile I'm forced to wear  
And I'm no good, no good can't you tell  
And if you could cast a spell  
Would it be to watch me fail (Well I prevail)

(I prevail)

You will never see the light  
Heaven will not know your name  
And my only real advice  
Is the only thing that you ignore  
Is exactly what you're looking for

So listen closely  
(You never know what you got 'til it's gone forever)  
My one and only  
(It's time to say goodbye)

When life gets hard I send a prayer  
For this cross I have to bear  
And this smile I'm forced to wear  
And I'm no good, no good can't you tell  
And if you could cast a spell  
Would it be to watch me fail

Woah, when life gets hard I send a prayer  
For this cross I have to bear  
And this smile I'm forced to wear  
And I'm no good, no good can't you tell  
And if I could cast a spell  
I would send you straight to hell

And if you could cast a spell  
Would it be to watch me fail (Well I prevail)

(I prevail)
