

New York, You're My Concrete Lover

Fallulah

I've got the night
I've got the day
I've got a ticket for a plane back home and a thousand
reasons to stay
I've got no light, but I know my way
Home is where my heart is, home is where my heart is
longing to stay

New york, you're my concrete lover
You make me hard as steel
New york, you're my concrete lover
You turn my heart to steel
New york, you're my concrete lover
And I'll make you a deal
I'll give you everything for the way you make me feel

I never sleep
I'm just like you
I'm lying in my bed with my eyes open, hoping you'll
come through
You rise and swell with your dreams to sell
I think this could be love, but I don't know you that
well

New york, you're my concrete lover
You make me hard as steel
New york, you're my concrete lover
You turn my heart to steel
New york, you're my concrete lover
And I'll make you a deal
I'll give you everything for the way you make me feel

Put me back on the street
I'm a child of the pavement
It's where I 'm scraping my knees when I try to get up
again

New york, you're my concrete lover
You make me hard as steel
New york, you're my concrete lover
You turn my heart to steel
New york, you're my concrete lover
And I'll make you a deal
I'll give you everything for the way you make me feel

For heaven's sake
Or just for mine
Anywhere you take me I just follow behind
I'm bigger now, and small somehow
Baby, it's all marvellous
Let's make it worth while

New york, you're my concrete lover
You make me hard as steel
New york, you're my concrete lover
You turn my heart to steel
New york, you're my concrete lover

And I'll make you a deal
I'll give you everything for the way you make me feel
