

## Buried

### Family of the Year

Bury me with my guitar  
Bury me with my records  
Where I am going, I'm gonna need something to do  
Bury me with my guitar

Bury me with my best t-shirt  
Bury me with my Chucks  
Where I am going, I'm gonna need something to wear  
Bury me with my black t-shirt

Nothing ever changes, I'll be  
Happier than hell in Hell  
Waiting for my friends and family

Yeah all right I said it, I think  
You're a bunch of crazies, love you  
I'm taking you all down with me

Bury me with my Blue Spirits  
Bury me in Echo Park  
Where I am going, I'm gonna need somewhere to hang  
Bury me with my Blue Spirits

Of course I hope we live forever  
Get happy and can grow together  
Never ever have to say goodbye

But just in case I made this list and  
If you lose it I'll be pissed, but  
At least I know you'll give it your best try

We're gonna give it our best try  
We're gonna help put everything back inside  
Where I am going, I'm gonna need somebody there  
Bury me with my mama

Bury me next to my mama  
Bury me next to my pops... pop!  
Where I am going, I'm gonna need someone who cares  
Bury me with my guitar
