

Council Of The Dead

Famous Last Words

Settle in, won't you all take a seat?
Welcome here to the Land of Deceased.
You breathe in, you breathe out, it all feels the same,
You feel you're alive, but there's no blood in your veins!
Confess to us the fable of your previous life,
In life and in death, I'll show you how our souls survive!

Rest, rest in peace, dear deceased,
Tell us all your stories.
Scream, shout, let it out.
(Scream, shout let it out.)
It's hard to make a sound when you've all fallen asleep,
Caught in a dream far from reality.
Scream, shout, let it out.
(Scream, shout, let it out.)
Cause' it's all over now.

Understand, open your eyes and you'll see,
I'm not here to judge you and I'm not here to preach.
My role here is to guide you as we search through your past,
So let's all get started, we're together at last.
Each of you left a loved one behind,
How long do you expect them to live on and survive?
Council of the dead!
Who do you expect will be joining us next?
Live your life with no fear or regret,
Cause' once you're dead, there's no point to lament!
I know this may all be hard to believe,
The sooner you accept it, the sooner you'll see!
Your relativity is buried beneath,
Your deaths are the lock, but your lives are the key!

Rest, rest in peace, dear deceased,
Tell us all your stories.
Scream, shout, let it out.
(Scream, shout let it out.)
It's hard to make a sound when you've all fallen asleep,
Caught in a dream far from reality.
Scream, shout, let it out.
(Scream, shout, let it out.)
Cause' it's all over now.

Everybody sit and listen,
There are some things I think that you should know!
Before your destiny's decided,
You must reveal where you came from!
Loved ones and broken-hearted you left behind will suffer,
Now you're gone!
Let's hope in life you provided,
The means to live and carry on.
Tell me now, what's more important?
Time in life or time now that you're gone?
Buried you in the cemetery,
Above your family surrounds.
Try to scream their names out loud,
But it's hard to make a sound.

Council of the dead!
Who do you expect will be joining us next?
Live your life with no fear or regret,
Cause' once you're dead, there's no point to lament!

Rest, rest in peace, dear deceased,
Tell us all your stories.

(Scream, shout let it out.)

Caught in a dream far from reality.
Scream, shout, let it out.
(Scream, shout, let it out.)
Cause' it's all over now.
