

# I'll Be Home Soon

## Famous Last Words

And I know  
You're far away from here  
Just close your eyes  
And dream tonight  
That I'm right by your side  
Count down the days  
'Til I play my last show  
"Cause then you know, I'll hit the road  
And I'll be coming home

It my sound cliché  
But there's no other way to say  
That the thought off you runs through my mind  
Words to describe are hard to find  
So I'll come clean  
I never knew you'd mean so much to me  
So I took this path  
I've made my choice  
The cure to my lonely heart  
It is your voice

What I would give just to be close to you  
The price I'd pay  
To make, my dreams come true

I swear I'll make it up to you  
I swear I'll make it up to you...

It makes me feel weak  
Every time that we speak  
And my hearts decided  
And I can't hide it  
You took hold of me and I'll never fight it

What I would give just to be close to you  
The price I'd pay to make  
My dreams come true  
I swear I'll make it up to you

I have to go now  
We can work this out an we can figure it out somehow  
But I'll be home soon  
If you wait for me just know that I will wait for you

What I would give just to be close to you  
(I have to go now)  
The price I'd pay to make my dreams come  
(But we can work this out)  
(I have to go now)  
And we can figure this out some how  
To make my dreams come true  
(But I'll be home soon)  
If you wait for me  
Just know that I will wait for you
