

The End Of The Beginning

Famous Last Words

The stories told, the truth unfolds.
Try to remember my darling souls.
Look deep into the eyes of the soul that sits across the room,
And start to recognize their face,
They'll start to recognize yours too.
Reunited friends and family,
Your souls I've gathered here.
A second chance is your gift, my friends,
Oh no you mustn't fear.

Cause this is not the end,
It's time now to transcend.
And start another journey,
Or go back to amend the life you lived before.
You know it's always been up to you,
So now it's time for you to choose.

Cause this is not the end,
It's time now to transcend.
And start another journey,
Or go back to amend the life you lived before.
You know it's always been up to you,
So now it's time for you to choose.

Cause this is not the end,
It's time now to transcend.
And start another journey,
Or go back to amend the life you lived before.
You know it's always been up to you,
So now it's time for you to choose.

Cause this is not the end,
It's time now to transcend.
And start another journey,
Or go back to amend the life you lived before.
You know it's always been up to you,
So now it's time for you to choose.

Cause this is not the end,
It's time now to transcend.
And start another journey..
