

## Bolero

Fancy

Let's not be the ones outside  
Looking at the world goes by  
Saw you standing all alone  
Wasted time has gone for good  
Play no more, it's understood  
Come to the twilight zone

Let me feel your secret hand  
Like a feather on the sand  
Only made of gold  
You can make me feel like a king  
And surrender everything  
A fire can't control

Hold me in your arms again  
Strangers down a lonely lane  
We can still survive  
Driftwood on the stream of life  
Hold me in your arms again  
Let me touch your velvet skin  
No more lonely nights  
On the way of no return

Play me the bolero

See your mystery in your eyes  
And the emotion in your lies  
I feel the magic in your touch  
'Cause the wanting is too much

Hold me in your arms again  
Strangers down a lonely lane  
We can still survive  
Driftwood on the stream of life  
Hold me in your arms again  
Let me touch your velvet skin  
No more lonely nights  
On the way of no return

Play me the bolero  
More bolero
