

Colder Than Ice

Fancy

There she stands in the dark
Colder than ice
Vision fixed on the door
Colder than ice

Now she knows that she's nice
Go to head and meet blue eyes
No one dances her twice
Nothing happens so far
'cause who wants to get burned by the ice

Who will reach her tonight
Before she takes flight
She's colder than ice
How can I get in first
Her to entice
She's colder than ice
Colder than ice

Suddenly he's almost there
And she's in his arms
Holds her close to him
And she feels his charms

Can't see it no more
Could it be I'm losing for sure
Oh it's breaking me up
'cause I'm the only one
Who dares to walk on the ice

Who will reach her tonight
Before she takes flight
She's colder than ice
How can I get in first
Her to entice
She's colder than ice

Who will reach her tonight
Before she takes flight
She's colder than ice
How can I get in first
Her to entice
She's colder than ice

Colder than ice
She's colder than ice

Who will reach her tonight
Before she takes flight
She's colder than ice
How can I get in first
Her to entice
She's colder than ice

Who will reach her tonight
Before she takes flight
She's colder than ice

How can I get in first
Her to entice
She's colder than ice

Colder than ice
(Colder than ice)
