

# Lady Of Ice

Fancy

(A Lady of ice  
A Lady of ice)

A lady of ice in a desert zone  
Where a web of lies has turned to stone.  
A lady of ice with a painted smile  
I should keep her warm just for a while.

All I want is ecstasy, reaching for reality  
Love comes and sweeps your past away.  
We'll climb invincible mountains  
I want you never to be.

A lady of ice in a desert zone  
Where a web of lies has turned to stone.  
A lady of ice with a painted smile  
I should keep her warm just for a while.  
A Lady of ice  
A Lady of ice

All I want is holding you  
Huggin' and protecting you.  
Turn up the beating of your heart.  
It's like a transmutation  
I want you never to be.

A lady of ice in a desert zone  
Where a web of lies has turned to stone.  
A lady of ice with a painted smile  
I should keep her warm just for a while.  
A Lady of ice  
A Lady of ice  
(A Lady of ice)

We'll climb the highest mountains  
I want you never to be.

A lady of ice in a desert zone  
Where a web of lies has turned to stone.  
A lady of ice with a painted smile  
I should keep her warm just for a while
